

QUALITY POLICY

Aspect Group Services Ltd aims to continually improve the service we provide to meet our customers' requirements and needs, and also to ensure our products are of a standard to be proud of.

Only by providing an outstanding service and product quality will we achieve our aims of long term success and future growth, ensure expectations are met and prevent reputational damage.

All personnel within the company are responsible for the quality of their work. The company selects the right people for their posts, provides adequate resources and training, and has established systems to assist all personnel in achieving the standards required.

To achieve the above, Aspect Group Services Ltd:

- Has established and maintains a Quality Management System which satisfies the requirements of ISO 9001:2015.
- Adopts industry best practice to provide products and services that fully and consistently meet the agreed requirements of Customers, the applicable codes of practice and relevant statutory legislation.
- Ensures that all company personnel are fully competent and resourced to carry out their assigned job role.
- Strives to continually improve the quality of products and services we provide, through the use of this Quality Policy, quality objectives, analysis of data, audit results, corrective and preventative actions and Management Review.
- Has established quality objectives at strategic and operational levels within the company that will be measured and reported on at regular intervals.
- Maintains records as objective evidence to demonstrate compliance with the Quality Management System.
- Reviews the Quality Management System at planned intervals to ensure it is effective in achieving the self-set objectives.

The Directors are fully committed to the above and actively encourage a similar commitment by personnel at all levels of the company. To help achieve this, good communication and consultation with all stakeholders, including our employees, is vital.
